Unlocking Our
Future: Toward a New National Science Policy

The House Committee on
Science submitted this report to Congress on September 24, 1998. You may access
the report in the following two ways:

- Download 09241998.pdf (~400K).

The report is in portable document format (PDF). The Adobe Acrobat reader is
free (please visit the Adobe
Acrobat web site for details).

- Visit the House Committee on Science web site.
