

## Join us!

It's time to register for the CSSP semi-annual meeting, slated for April 30 to May 4, 2010, in Washington, D.C.

You will meet with your peer presidents/past presidents/presidents-elect and exchange new ideas with them, discuss a myriad of issues you have in common and solutions that they have tried that succeeded. You will build new personal relationships and high level collaborations for pursuit of common goals.

The May CSSP meeting promises to be another exciting adventure, packed with peer networking, best cut-through-the-fog thinkers, major learning events, committees formulating coordinated national action, new models and studies of creative leadership and managing crises successfully.

You will engage with the discoverers of exciting frontier knowledge - always an exciting peek into the future. You will meet with high impact, nationally recognized leaders, every day, all day. Scheduled discussion leaders include renowned researchers and authors and top leaders across many spheres of influence.

We must all work together as a community with common purpose. This meeting is your opportunity as a top science leader to think, discuss, debate and shape the future.

Call the CSSP office at (202) 872 - 6230 to register. Information can also be found on the CSSP web site.

Martin A. Apple, CSSP President
