

## Publications & Directories

CSSP publishes an informative periodic newsletter; a Directory of Members, Associates and Affiliates to assist in making connections to other CSSP members; an annual CSSP Sourcebook that untangles who is doing what, with names and phone numbers, in the new Congress, the White House and Federal Agencies; collective summaries of its members activities in specific areas such as education or ethics; statements of positions on emerging issues; and summaries of CSSP symposia and forums. [Click for access to CSSP Directory -- CSSP members only please!](#) CSSP also publishes The Science Leader which is published online and distributed to members via electronic mail.
