Got news?  
We want to hear it!

The Science Leader was developed to help us communicate better with our members, alumni, supporters and member organizations. In addition to keeping you abreast of CSSP events and science news, we want to share news from our members and member organizations, but we can't do that without your help.

Please send submissions, story ideas and suggestions to Science Leader Editor Amber Allen at [amber\\_ssi@hotmail.com](mailto:amber_ssi@hotmail.com) or call (304) 755-7214.

We look forward to hearing from you!

Thank you so much for reading our newsletter. We hope you have found it informative and interesting. Please contact us with any ideas and/or submissions for the next newsletter. We appreciate your support!

Sincerely,
